MAIN STREETS CONTINUE TO DOMINATE RETAIL LEASING IN Q2

Kolkata recorded retail leasing volumes of ~48,500 sf in Q2, a 30% growth on a quarterly basis. In continuation of a trend witnessed over the past several quarters, main streets dominated the Q2 retail leasing activity with a share of around 88% as supply of Grade A malls remains inadequate. Main streets such as Theatre Road, Esplanade and Dalhouse recorded space take-up by fashion and F&B brands. Other locations such as Dhakuria (suburban south), Behala (peripheral south) and Serampore (Hooghly) witnessed leasing activity by fashion and CDIT brands. The quarter also saw transactions at Acropolis Mall at Rashbehari Connector and Avani Riverside Mall at Howrah. Fashion segment accounted for 48% of quarterly leasing volumes, followed by F&B with a share of around 29%.

As of H1-2025, total lease volumes stood at ~86,000 sf, a 16% decline as compared to same period last year. Main streets contributed around 90% of lease volumes. Fashion segment accounted for 50% of lease volumes followed by F&B (29%).

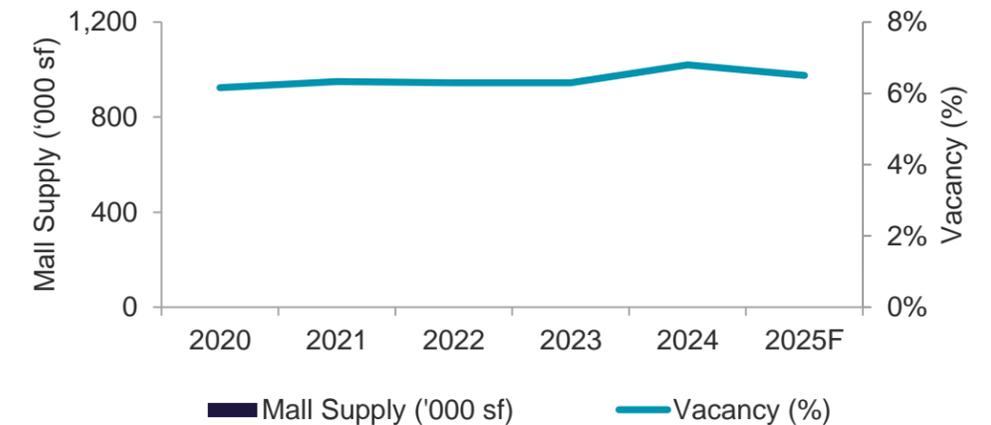

NO NEW MALL SUPPLY IN Q2; GRADE A MALL VACANCY DECLINES

Kolkata recorded no new mall completion in Q2 and two malls, which were scheduled to enter the market in the current year, have been deferred to 2026. In the short term, dearth of premium Grade A mall space is expected to continue. This will support continued healthy leasing activity in main streets. City-wide headline mall vacancy stood at 6.6%, declining by 20 bps on a quarterly basis. Grade A vacancy remained extremely tight, dropping marginally by 10 bps to 2.5%.

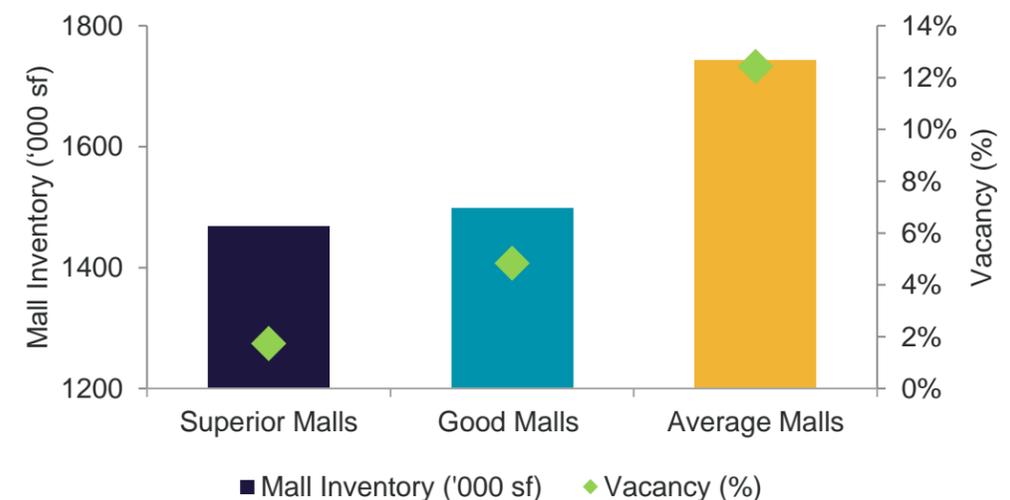

MALL RENTALS STABLE; MARGINAL RISE IN MAIN STREET RENTALS

Quoted mall rentals remained unchanged in Q2. Rentals at CBD locations such as Park Street, Camac Street, Theatre Road remained unchanged. Other prominent locations such as Gariahat, VIP Road, Kankurgachi recorded rental appreciation of 1-2% on a quarterly basis.
