LOCATION

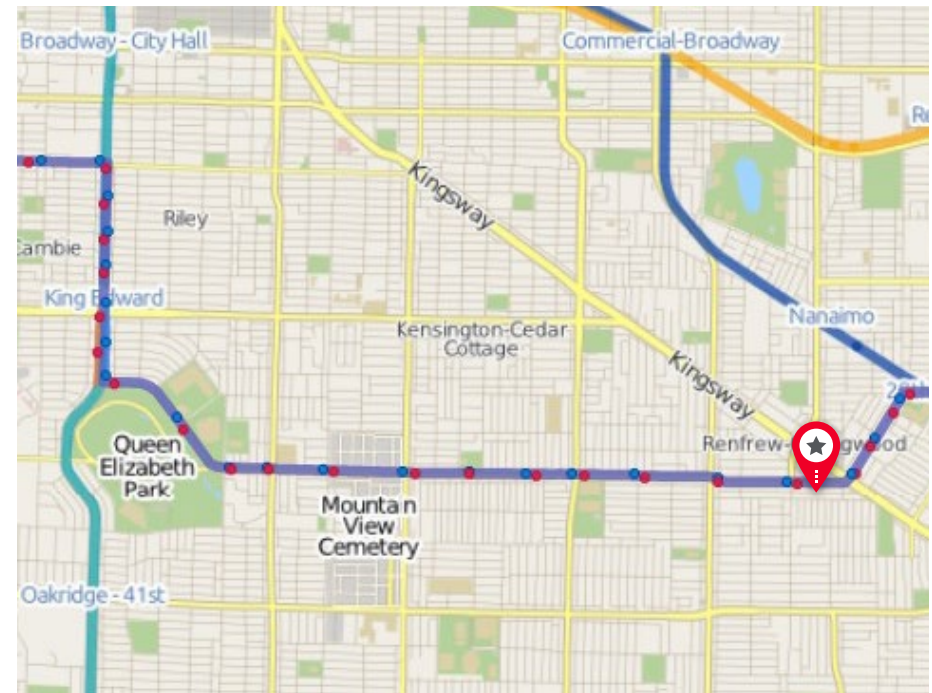

This site is located in the heart of the Norquay Village Plan which has already started to be redeveloped with many new developments completed or underway such as Westbank's Kensington Gardens and Imani's The Windsor only a few blocks away. Norquay Park, one of the premier parks in East Vancouver, is only a few blocks away which is host to a recently upgraded park, waterpark, basketball courts, and family picnic area. The E 33rd Ave bus runs right in front of the future development. This bus takes you to both 29th Ave Expo Line SkyTrain Station and King Edward Skytrain Station as part of the Canada Line as well a direct bus route to UBC. Being in the heart of the Norquay Plan will lead to increased development and end user demand for this area.
