LOVELAND

ABOUT LOVELAND

The city of Loveland is south of Fort Collins, its larger neighbor and the county seat. The two cities have been steadily growing towards each other over the last several decades and are considered to be a single metropolitan area by the U.S. government. The establishment of county-owned open space between the two communities in the 1990's was intended to create a permanent buffer to contiguous growth.

Loveland has aggressively expanded its incorporated limits eastward to embrace the interchanges at Interstate 25 (I-25). The I-25 & Crossroads Boulevard intersection and the I-25 & U.S. Highway 34 intersection are both being developed with retail and commercial properties filling in nicely. In the last decade, the I-25 & Hwy. 34 intersection has become a primary commercial hub of northern Colorado, with the construction of shopping centers such as the Promenade Shops at Centerra and the Outlets at Loveland, and the addition of the Budweiser Events Center. The Medical Center of the Rockies has also been built near the Interstate 25 and U.S. Highway 34 interchange, Centerra.

Loveland has embraced urban living and has two successful multi-family assets located in the heart of the downtown corridor. In addition, there are dozens of historic homes located within a short walk of downtown. The retail establishments of Lincoln Place consider downtown Loveland's residents the most crucial amenity in that a built-in customer base is present.
