# THE OFFERING

Investment or redevelopment opportunity. This large assembly totaling 1.1 acres spanning from Stuart Street to Appel Street along busy Oxford Street East, includes a mix of commercial and residential properties. The buildings are well maintained. The existing rents are well below market and most tenants are month to month. An ice factory formally operated at the core of this property. That space, totaling 18,000 square feet is now vacant, leaving plenty of room for owner users. The Arterial Commercial zoning allows for many office, retail, service, repair, and automotive uses. Please contact the listing agents for the buyer package.
