ABOUT FORT COLLINS

4TH LARGEST CITY IN COLORADO

Fort Collins, one of the healthiest cities in the U.S., boasts award winning schools, beautiful outdoor facilities, and a flourishing arts scene. Additionally, residents can visit any of the unique breweries, shops and restaurants located in the area.

The Fort Collins economy has a mix of manufacturing and service-related businesses. Many high-tech companies have relocated to Fort Collins because of the resources of Colorado State University and its research facilities.

Fort Collins is also home to many small businesses and entrepreneurial ventures. The Larimer Small Business Development Center helps small businesses in the area get started and become profitable while the Northern Colorado Economic Alliance attracts business while stimulating relevant economic opportunity and job growth for the region.

Other factors that attribute to the entrepreneurial climate of Fort Collins are Colorado State University's College of Business and its Institute for Entrepreneurship Center and the Rocky Mountain Innosphere, helping new clean energy, technology, and scientific startup companies get started.
