the SKY is the LIMIT

Unique identity, recruiting and retaining top talent, reducing environmental impact, streamlining operating costs, enabling employees to be active and promoting synergy are issues that have been solved at The Terraces. The campus was built in 2009 to LEED Gold & Silver standards and was designed around the needs of today's modern companies. In a daily work routine an employee never needs to leave the campus to seek food, relaxation, fitness facilities or indoor and outdoor work space. This all-encompassing environment fosters creativity and attracts genius.
