Built for Flexibility

Powered for Growth

50 Robert Milligan Parkway offers a versatile industrial environment designed to support a range of users, from logistics and distribution to advanced manufacturing. With a flexible layout and scalable power capacity, the building can adapt to both high-volume operations and specialized manufacturing needs. The site is located just 11 minutes from the Manchester-Boston Regional Airport, less than an hour from Downtown Boston, and within easy reach of major New England markets, delivering the infrastructure and accessibility necessary for efficient operations and long-term growth.
