Property Highlights

Royal Centre is an A Class office and retail development located in the central business district of Downtown Vancouver. The complex comprises 36 storeys and 464,000 square feet of office space. Connected to Burrard SkyTrain Station and Hyatt Regency hotel via underground concourse. The complex houses the BC head office of the Royal Bank of Canada (RBC), which is the largest banking centre in Vancouver.

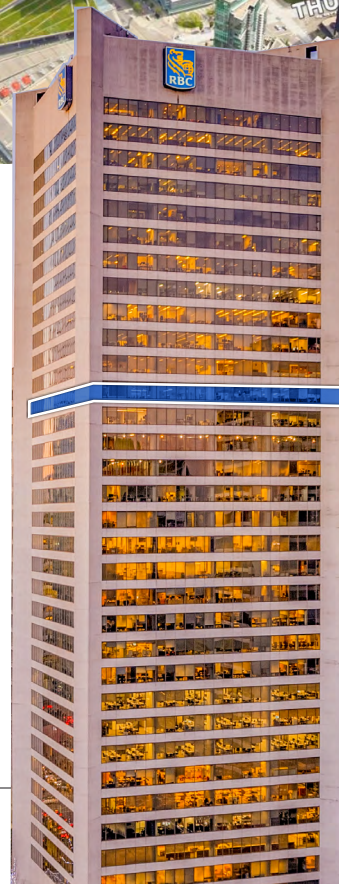

Lobby and ground plane are currently undergoing major renovations that will be complete Q1 2026, set to deliver Royal Centre as Downtown Vancouver's preeminent lobby complete with restaurant and coffee amenities.

Royal Centre (Re)Envisioning

The (re)envisioning of Royal Centre is an ambitious journey that will rejuvenate part of the Downtown core. The Royal Centre Redevelopment stands as a transformative endeavor set to breathe new life into the heart of downtown Vancouver. A multi-million-dollar project completing Q1 2026, this initiative promises to redefine the cityscape with its ambitious vision.

Central to the re-envisioning is the creation of a state-of-the-art lobby. The introduction of a striking pavilion will serve as a focal point, adding architectural elegance to the urban landscape. Enhancing connectivity, the project includes improved access to transit, acknowledging the evolving needs of the community.

Moreover, the redevelopment aims to tantalize the city's culinary scene with the addition of a new restaurant, creating a vibrant hub for both locals and visitors alike. The Royal Centre Redevelopment not only signifies a physical transformation but also symbolizes a commitment to fostering a dynamic and thriving urban core in Vancouver.
