SURREY BC

2-Acres Development Land, West Clayton

PLA

OPPORTUNITY

Cushman & Wakefield ULC, together with Oakwyn Realty Ltd., as exclusive agent for the Vendor, is pleased to offer to the market a prime development opportunity located at **18742 & 18758 72nd Avenue, Surrey, BC** (the “Property”).

Strategically positioned at the corner of 72nd Avenue and 187A Street, this rare **2-acre** site lies in the heart of Surrey’s rapidly growing West Clayton Heights neighborhood. Directly adjacent to the vibrant Clayton Community Centre, the Property is comprised of two legal parcels, offering significant development potential.

The site has received **PLA (Preliminary Layout Approval)** reading for a thoughtfully designed project featuring **two 6-storey residential buildings with ground-floor commercial space**—blending community living with retail convenience.

With proximity to the future Hillcrest–184th SkyTrain station, this location is poised for strong long-term growth and connectivity. The combination of size, location, and development potential makes this a standout investment opportunity in one of Surrey’s most dynamic communities.

Investment Highlights

- **Active Development Area & Infrastructure Investment:** Multiple nearby projects approved; City of Surrey is investing in local infrastructure.
- **Transit-Oriented Growth:** Just 1.0 km from the future HillCrest SkyTrain station (completion: late 2029), with direct highway access and strong commuter appeal.
- **Development-Ready:** The site is fully serviceable now, allowing for immediate progress without reliance on broader infrastructure timelines.*
- **Prime Location:** Adjacent to community centre, schools, parks, enhancing livability and long-term value.

*Please inquire about available details and notes from the engineer.

LOCATION

The West Clayton area of Surrey offers an exceptional opportunity for development, blending modern urban living with community-focused planning. As one of Surrey's fastest-growing neighborhoods, West Clayton is primed for residential and mixed-use projects, supported by a comprehensive land use plan emphasizing transit-oriented development, green spaces, and walkable amenities. With proximity to major transportation routes, planned rapid transit expansion, and established schools and parks, developers can capitalize on strong market demand, robust servicing, and the city's long-term vision for sustainable, connected growth.
