OPPORTUNITY

1600 Valmont presents a unique chance to lease fully equipped, move-in-ready laboratory spaces complete with a tenant's choice of either fume hoods or bio safety cabinets. As the vacancy rate for lab units continue to drop below 1% in the Lower Mainland, finding built-out and equipped properties, particularly for smaller research companies, has become increasingly challenging. However, 1600 Valmont is the latest development designed to meet this demand.
