AURORA MILLS BUSINESS PARK

AURORA MILLS BUSINESS PARK IS PREMIUM INDUSTRIAL

Located on the northeast corner of St John's Sideroad and Leslie Street in scenic Aurora, Aurora Mills Business Park offers business owners the opportunity to own their future.

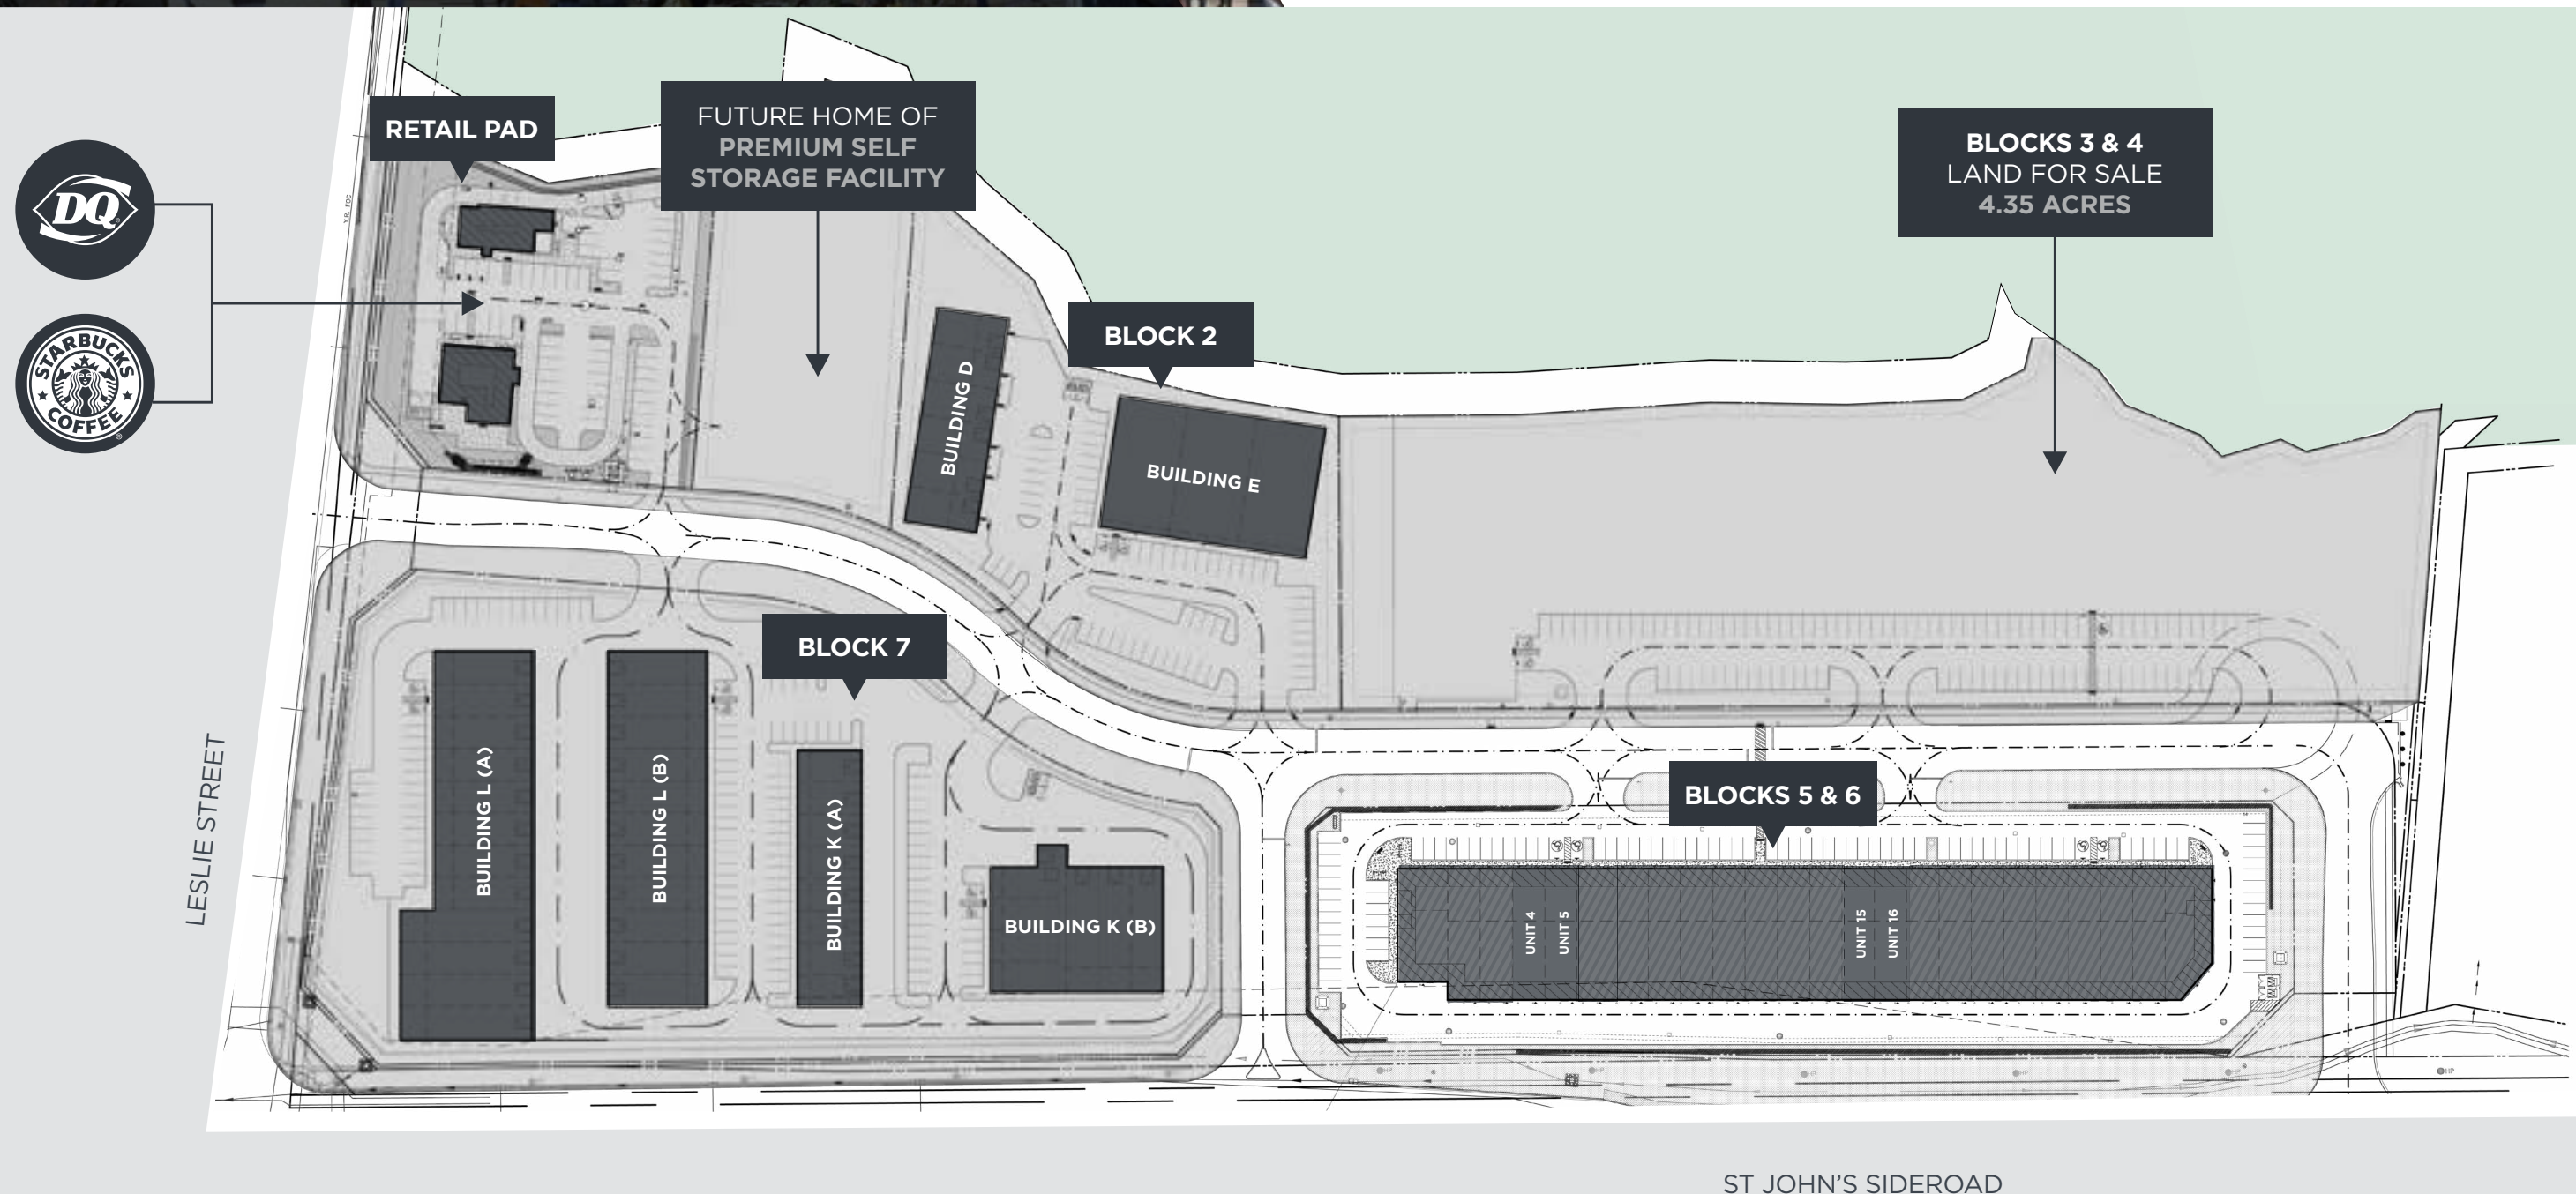

With the first phase, Block 5 & 6 being 86% sold and currently under construction, these premium industrial units will be available for occupancy for buyers in the first quarter (Q1) of 2025.

An exciting new release of Phase 2 of the development (Block 2 & 7) will give occupiers and investors the opportunity to choose from a wide range of available sizes and configurations, with units starting 1,510 sf. and up.

In addition to the premium industrial condos, there are two parcels of land for sale which could accommodate a design build for larger requirements.

As you enter the site from Leslie Street, the final stages of construction are nearing completion for new incoming retail tenants Dairy Queen and Starbucks.

Aurora is a rapidly growing community in both population and popularity and you can be a part of it at Aurora Mills Business Park.

Why owning your space is
a smart business decision
for your future

IT STARTED WITH A PARTNERSHIP

Good people coming together to build great communities. HAVEN Developments has earned a reputation as a Toronto developer who is dedicated to improving the communities in which they develop. With extensive background in real estate finance and development, HAVEN reflects its storied history against an innovative and original backdrop.

We build
properties that
enhance life by
**connecting you
to the city
you love**

BUILD EQUITY THROUGH OWNERSHIP - THAT'S SMART BUSINESS

GTA INDUSTRIAL MARKET OVERVIEW

With the current supply/demand imbalance in the industrial markets, rental rates are rising at an incredibly fast pace. If you are tired of paying your landlords mortgage and want to lock in costs for the coming years, look to ownership at Aurora Mills, and **own your future**.

WHY OWNING YOUR SPACE IS A SMART BUSINESS DECISION

1. CERTAINTY

Owning real estate provides you with a positive ROI in a rising rental market and high inflation world.

2. REDUCE THE RISK OF MAJOR CAPITAL REPLACEMENT

By purchasing a new building, you minimize exposure to large capital repairs and replacements (such as roof, HVAC, paving, etc.)

3. BUILDING EQUITY

Build towards your retirement instead of building towards a landlord's retirement.

4. INVESTMENT

Take advantage of one of North Americas top industrial markets.

At **HAVEN**, we build properties that enhance life by connecting you to the city you love. Being connected is something we achieve in close proximity to transit, nature, and amenities. With the strategic use of our core philosophies, we are able to create commercial environments that complement, add value to, and enrich the lives of business owners.

BAYVIEW VILLAGE

As shareholders in all of our developments, we are genuinely committed to the success and quality of each project we build. Through our involvement in every aspect of a project, we maintain the highest standards of quality control.

Aurora Mills Premium Industrial Business Park is Aurora's marquee industrial centre. Encompassing close to 25 acres and over 200,000 sf. of state of the art industrial space. Block 5&6 is nearly sold out, with only a few units remaining. Block 7 offers units from 1,510 sf. up, while block 2, 3 & 4 offers larger users the ability to purchase land and build.

Joining Starbucks, Dairy Queen and a premium self storage user, Aurora Mills is the perfect future forward destination for your growing business.
