BEACON CAPITAL PARTNERS

Beacon Capital Partners is a tenant-focused private real estate investment firm with a 70-year legacy of successful real estate development, ownership, and management. Beacon invests in high-quality office properties in core urban markets with highly-educated workforces. Our hands-on approach transforms these properties for today's tenants, with innovative design, state-of-the-art connectivity, modern amenities, and award-winning sustainability and risk management initiatives. From Fortune 100 firms to the leading innovative and growth companies, our tenants are proud to call our distinctive workplaces home.

Beehive put on the Rooftop of Gateway Tower

We now have a honey bee beehive here at The Gateway! As part of Beacon's commitment to sustainability, Beacon has partnered with the Best Bees Company to maintain the beehives that were put on top of the roof of Gateway Building 3. The best part? Once the honey is harvested all tenants will receive fresh Beacon Honey! The beehives will be maintained by professionals from Best Bees regularly. The honey bees will NOT fly into intake air vents, cooling towers, or other equipment. There are 2 total hives and each hive supports 10,000 or more honeybees. Urban beehives, such as the one here at The Gateway, actually produce more honey than suburban beehives—better nutrition being one factor. Other notable places where beehives have been placed on rooftops is The White House, Colorado Convention Center, The Pacific Science Center, and Fairmont Hotels. We hope you are as excited as we are about this project!
