## LOCATION

With a total of 357 Residential Units, the property is situated in White Rock's Town Centre, renowned for its vibrant array of shops, restaurants, cafes, and services. The Town Centre area plan is focused on creating a compact, connected and walkable urban centre with a primary focus on increased density in key locations.

White Rock is a popular area for both residents and visitors, offering a picturesque setting that encompasses views of Semiahmoo Bay and the iconic White Rock. With Semiahmoo Shopping Centre featuring major grocery stores, banks, pharmacies and more, there is a need for additional business's in the area to sustain the population growth happening in the area. Several new developments will densify the immediate area, creating a need for further services to sustain the growing population. The area plan has a projected goal of bringing the surrounding population from 7,815 up to 18,188 residents and employment from 1,943 employees to 6,899 over the next decade.

White Rock is easily accessible via all major highways, including King George Boulevard, Highway 99 and Pacific Highway. Furthermore, the region benefits from robust service by the TransLink public transit system; buses connect the Town Centre with other parts of the city, Surrey, Richmond and Vancouver.

Completing in 2026, Foster Martin will be a premium addition to a highly sought after community.
