WiredScore
SILVER

Rated for connectivity

Executive Center Del Mar, San Diego

WiredScore certification is the digital connectivity rating system for real estate.

CONNECTIVITY

Three high-speed internet providers are available (fiber or fixed wireless) giving tenants options at a competitive rate. Providers include AT&T, CenturyLink and Cox Communications.

Fiber connectivity is ready to deliver high-speed internet to tenants.

There is at least one fully distributed fiber option throughout the building to provide tenants with faster installation time and minimum disruption.

There is free Wi-Fi in a common area to provide seamless internet connectivity and to enable guests to connect upon arrival.

Coaxial or copper connectivity is available for lower cost and diverse connectivity services to tenants.

There is spare capacity at the building points of entry to enable faster installation times and minimum disruption for new internet service providers.

There is capacity available throughout the riser(s) to enable faster installations of new connectivity services.

ACCESS READINESS

There is a standardized access agreement on file to expedite future installations of internet service providers.

As a tenant in a WiredScore certified property you can leverage WiredScore internet concierge services for free to help you get set-up with great internet or voice services.

INFRASTRUCTURE

The space allocated for service provider equipment is secured and dedicated to improve data security and reduce risks of accidental damage.

There's a reason why San Diego's top names in legal, finance, communications, science and tech make up the region's prestigious Del Mar Heights office corridor.

Executive Center Del Mar's premier location provides access to the best indoor and outdoor amenities and recreational opportunities San Diego has to offer.
