Located in South Burnaby's Big Bend area, Glenlyon Business Park ("Glenlyon") represents one of the best industrial and office business parks within close proximity to the downtown core, educated and skilled labour pools, and major transportation routes.

Glenlyon offers ample off-site amenities, including Riverway Sports Complex and one of the finest golf courses in Burnaby - Riverway Golf Course, perfect venues for various work events or team-building workshops. Strategically located within minutes of Marine Way Market and Big Bend Crossing, this location is steps away from two urban shopping centres offering convenient access to service, retail and major restaurants. Throughout this park, there is an extensive trail system, picnic areas along the Fraser River shoreline, off-leash dog park, and playground providing an ideal location for work-life balance. This picturesque locale is Burnaby's best and most scenic point of entry to the historic Fraser River, which flows a majestic 1,400 km from its source high in the Rocky Mountains out to the Pacific Ocean.
