ABOUT THE PROPERTY

200 Domain Drive is a two-story, 246,000 SF Class A high tech corporate headquarters situated on the Exeter/Stratham town line just 10 minutes from downtown Portsmouth which is ranked as one of the “Top Ten Small Cities in the World” . The property has benefited from more than \$8 million in recent capital improvements, including a full roof replacement, upgraded HVAC systems, modernized electrical infrastructure, energy-efficient lighting, parking lot enhancements, and comprehensive interior and exterior renovations. Originally occupied entirely by Timberland as its corporate headquarters since 2000, the building is now being repositioned to accommodate multiple tenants, with spaces customizable to meet a wide range of operational needs.

Located within the highly regarded Stratham Industrial Park, the property sits alongside major corporate neighbors such as Bauer Hockey and the 1 million-square-foot Lindt & Sprüngli U.S. headquarters. The park offers an impressive suite of on-site amenities, including a childcare center, food service, athletic fields, walking trails, outdoor seating areas, and a maturely landscaped private campus environment. The property is less than ten minutes from Exeter Hospital, Phillips Exeter Academy, and the shops and restaurants of historic downtown Exeter. Planned improvements include new building entrances, refreshed common areas, updated interior and exterior finishes, new walkways, an elevator, and expanded outdoor seating.

Strategically positioned minutes from Exit 2 on I-95 and immediately off Exit 12 on Route 101, 200 Domain Drive provides exceptional regional connectivity. Logan International Airport, Portland, I-495, and Manchester-Boston Regional Airport are all within an hour’s drive. With its extensive amenity base, direct highway access, and proximity to the Massachusetts, New Hampshire, and Maine labor markets, 200 Domain Drive offers an ideal headquarters-quality location for companies seeking flexibility, visibility, and convenience.
