AREA HIGHLIGHTS

Walton is a dynamic business center where local and national enterprises thrive. The city boasts a robust presence in the logistics and manufacturing sectors, benefiting from a business-friendly climate that fuels economic growth and creates valuable employment opportunities for the community.

Positioned along Interstate 71/75, one of the nation's major north-south highways, Walton is just 15 miles south of CVG International Airport and in close proximity to major logistics hubs, including Amazon, DHL, UPS, and FedEx—an ideal setting for businesses seeking strategic positioning and smooth supply chain operations.

Discover the potential of Walton, where business meets opportunity in a thriving, accessible environment.
