A BLANK CANVAS IN THE HEART OF RANCHO CORDOVA

3043 Gold Canal Drive presents a rare opportunity to own or lease a high-quality professional office building in one of Sacramento's most dynamic submarkets. Situated in the heart of Rancho Cordova, this two-story, ±26,569 SF multi-tenant office building offers unmatched flexibility for both investors and owner-users.

Originally developed by an owner/user, the property has been well-maintained and is currently partially leased, providing immediate in-place income with the potential for owner occupancy or further lease-up. This makes it an ideal fit for a business seeking a customizable location or an investor looking for a value-add opportunity. The existing leases can be terminated, if desired.

Rancho Cordova is widely recognized as one of the best-run cities in Northern California, known for its business-friendly government, efficient permitting, and ongoing infrastructure investment.
