Stanford
RESEARCH PARK

Stanford Research Park has emerged as a premier destination where innovators and pioneers from the worlds of tech and science come together to shape the future. Nestled near top venture capital firms and Stanford University, the Park is at the heart of a thriving ecosystem of thought leaders and game-changers.

Here, you'll join a vibrant community of industry leaders, from Fortune 500 companies like Ford Motor Company and SAP to cutting-edge innovators such as Woven by Toyota, Tesla, Rivian, HP, X.ai, Appolovin and 1X Technologies. The proximity to Stanford University creates a unique environment where entrepreneurial talent can flourish, offering the perfect foundation for startups to grow into market leaders.

Stanford Research Park offers a rich array of amenities, including a complimentary shuttle to Stanford University and Caltrain, as well as The Hub—an inviting destination for casual connections, featuring welcoming indoor and outdoor dining and vibrant gathering spaces. Be more than just part of the conversation—lead it from 3300 El Camino, the epicenter of groundbreaking innovation and creativity.

SAND HILL PROPERTY COMPANY

Sand Hill Property Company is a Silicon Valley real estate company with a proven track record of selecting and executing successful real estate projects. They are led by a strong set of values and have developed many of Silicon Valley's most transformational communities.

Our Values

Innovation

With forward-thinking design, we create community places and spaces uniquely suited to the region that improve the way people live.

Integrity

We hold ourselves to the highest standards, and always seek balanced conscientious solutions for our partners, municipalities and the communities that surround our projects.

Local Expertise

Our extensive Silicon Valley experience sets us apart and guides us in all aspects of the development process—from acquisition to financing, entitlements, design, construction, leasing and property management.
