The Opportunity

This offering presents a rare opportunity to acquire approximately 2.5 acres of prime commercial land fronting the Fraser Highway in Aldergrove, Langley. The property is fully leased to an established operator in the trailer sales and service sector, providing stable in place cash flow with long term upside potential. The site benefits from excellent highway exposure, strong daily traffic volumes, and close proximity to major amenities and surrounding commercial services. Positioned along the eastern edge of the Abbotsford and Aldergrove commercial core, the area continues to experience steady industrial and service commercial demand driven by regional growth, logistics activity, and expanding residential communities. From an investment perspective, the asset offers secure income with future redevelopment or repositioning potential as land values and density intensification continue along this key transportation corridor. For developers, the scale, frontage, and strategic location create potential flexibility for future site optimization and variety of uses.
