Opportunity

The subject property is comprised of two strata lots combined to form one contiguous space of 18,190 SF. These prominent corner units benefit from exposure to Clipper Street and Ketch Court. Significant lower level and second level office glazing as well as a front entrance glazed canopy provide strong corporate appeal. The subject property is suitable for distribution and manufacturing uses; with a combination of dock and grade loading, 24' ceiling height, heavy power, amenity areas, and custom improvements such as an air conditioned warehouse. Located in the geographic centre of Metro Vancouver on the Highway 1 corridor, 1322-1324 Ketch Court provides efficient access to all areas of the Lower Mainland. The subject property is adjacent to Beedie's Fraser Mills development, a master planned waterfront community including high-rise condos, townhomes, retail and community amenities. Fraser Mills spans over 96 acres and will bring 5,500 new homes to the area.
