Prologis Essentials

Keeping You Ahead of What's Next.

Build resilience, drive innovation and unlock growth. Beyond the building, we bring together the planning, systems and solutions to get you up and running faster while increasing efficiency and long-term performance.

Unlock the full potential of your warehouse **with one strategic partner.**

Operations

Simplify move-in and accelerate performance with the expertise and tools to get your warehouse operating at full potential. From planning through delivery and beyond, we increase throughput and optimize every square foot.

Offerings:

- Warehouse strategy and consulting
- End-to-end project management
- Integrated solutions
 - Move-in and move-out
 - Material handling and storage
 - Automation and robotics
 - Security
 - Software and technology
 - Labor

Energy

Keep your facilities running and costs under control as power needs increase with reliable, flexible energy solutions. From solar and storage to OnPrem and vehicle charging, we help you increase resiliency and reduce emissions with clarity and control.

Offerings:

- Energy consulting and comprehensive sustainability solutions
- Integrated solutions
 - Onsite solar and storage
 - OnPrem power
 - Fleet and workplace charging

PROLOGIS DUMBARTON LOGISTICS

Where Proximity Powers Performance

8311 Central Avenue
Newark, CA 94560

The world runs on logistics. At Prologis, we don't just lead the industry, we define it. We create the intelligent infrastructure that powers global commerce, seamlessly connecting the digital and physical worlds. From agile supply chains to clean energy solutions, our eco systems help your business move faster, operate smarter and grow sustainably. With unmatched scale, innovation and expertise, Prologis is a category of one—not just shaping the future of logistics but building what comes next.
