ACCESS, LABOR & ADVANTAGES

Situated along I-70 in the Southwest submarket of Indianapolis, **Plainfield Innovation Park** is comprised of four buildings in Plainfield, Indiana, **one of the most desirable industrial submarkets in the Midwest.**

- Buildings provide visibility along and **immediate access to I-70**, a primary east-west corridor connecting major markets across the country.
- 4.5 miles to **Indianapolis International Airport (IND)** and the world's second largest FedEx Hub.
- 7 miles to **I-465**, which provides easy access to I-65, I-69 and I-74.
- **10-year tiered tax abatement.**
- Ideal configuration for local and regional distribution and manufacturing.
- **Large surrounding labor pool:** a population of nearly 200,000 in Hendricks County with dedicated programs to support a large, highly-skilled workforce

Located within **one-day** drive of **50% of U.S. population** via four interstates: I-65, I-70, I-69 & I-74
