← ABOUT THE AREA

The Southbank area is a key commercial hub for Okotoks and the surrounding Foothills region, benefiting from the strong daytime population and growing residential development nearby. With easy access to Highway 2A and just minutes from the Highway 2 interchange, the location offers excellent connectivity to Calgary and Southern Alberta trade routes.

Nearby amenities, walkability, and ample surface parking make this a convenient and desirable location for both customers and staff. Whether serving the immediate community or capitalizing on regional traffic, Foundry sits at the heart of a dynamic and expanding commercial district.

← LOCATION

Located just 15 minutes south of Calgary, Okotoks is one of Alberta's fastest-growing communities. With a population exceeding 30,000 and a steady pace of residential and commercial development, Okotoks presents a compelling opportunity for business owners and investors looking to establish or expand their presence in Southern Alberta.

Okotoks benefits from a strong and diversified local economy supported by retail, professional services, healthcare, light industrial, and tourism sectors. The town's pro-business climate, streamlined permitting processes, and well-planned infrastructure make it an attractive choice for entrepreneurs and established businesses alike.

Strategically situated along Highway 2 and the High River/Okotoks bypass, the town offers excellent transportation access to Calgary, Lethbridge, and other major markets. Okotoks also boasts a highly educated and family-oriented population, contributing to a stable workforce and strong consumer base.
