CENTREPORT CANADA

CentrePort Canada is the largest inland port in North America that supports rail, road, and air transportation, and operates as a Foreign Trade Zone. Spanning 20,000 acres of prime industrial land, it's designed for high-quality development.

Situated at the crossroads of major international trade routes, CentrePort Canada helps businesses reach key markets worldwide. Located in Winnipeg and Rosser, Manitoba, it benefits from its central position at the intersection of several transportation corridors. The area also offers advantages like a skilled and affordable workforce, low taxes and energy costs, quick land development approvals, and a cost-effective lifestyle, making it a highly appealing place to invest.

With direct access to top-tier rail, trucking, and air cargo services, CentrePort Canada connects companies to a consumer base of 100 million people within a day's drive. Its expansive site is ideally suited for businesses involved in global supply chains.
