PHOTO TOUR - THE ARTISAN

An aerial photograph of a city skyline. The central focus is a tall, modern skyscraper with a glass facade and a green rooftop terrace. To its right is a large, multi-story building with a light-colored facade and many windows. In the foreground, there are several parking lots with cars, a utility area with transformers, and a street with traffic. The background shows a dense urban area with various buildings and trees under a cloudy sky.

MARKET OVERVIEW

MARKET OVERVIEW

University Circle is Cleveland's major cultural, educational, and medical district on the city's East Side, often described as "Ohio's most spectacular square mile." It is home to more than 30 institutions, including Case Western Reserve University, University Hospitals, the Cleveland Museum of Art, the Cleveland Museum of Natural History, Severance Music Center, the Cleveland Institute of Art, and the Cleveland Botanical Garden.

The area combines landmark institutions with parks, restaurants, transit access, and nearby neighborhoods such as Little Italy, making it both a visitor destination and an important employment center. Historically, it grew around a streetcar turnaround near Euclid Avenue and East 107th Street, later becoming the cultural and "ed-med" anchor of Cleveland's east side.
